Software developers, integrate your payroll software with
# One-Stop Payroll NEW

OSP POWERED BY GOVTECH
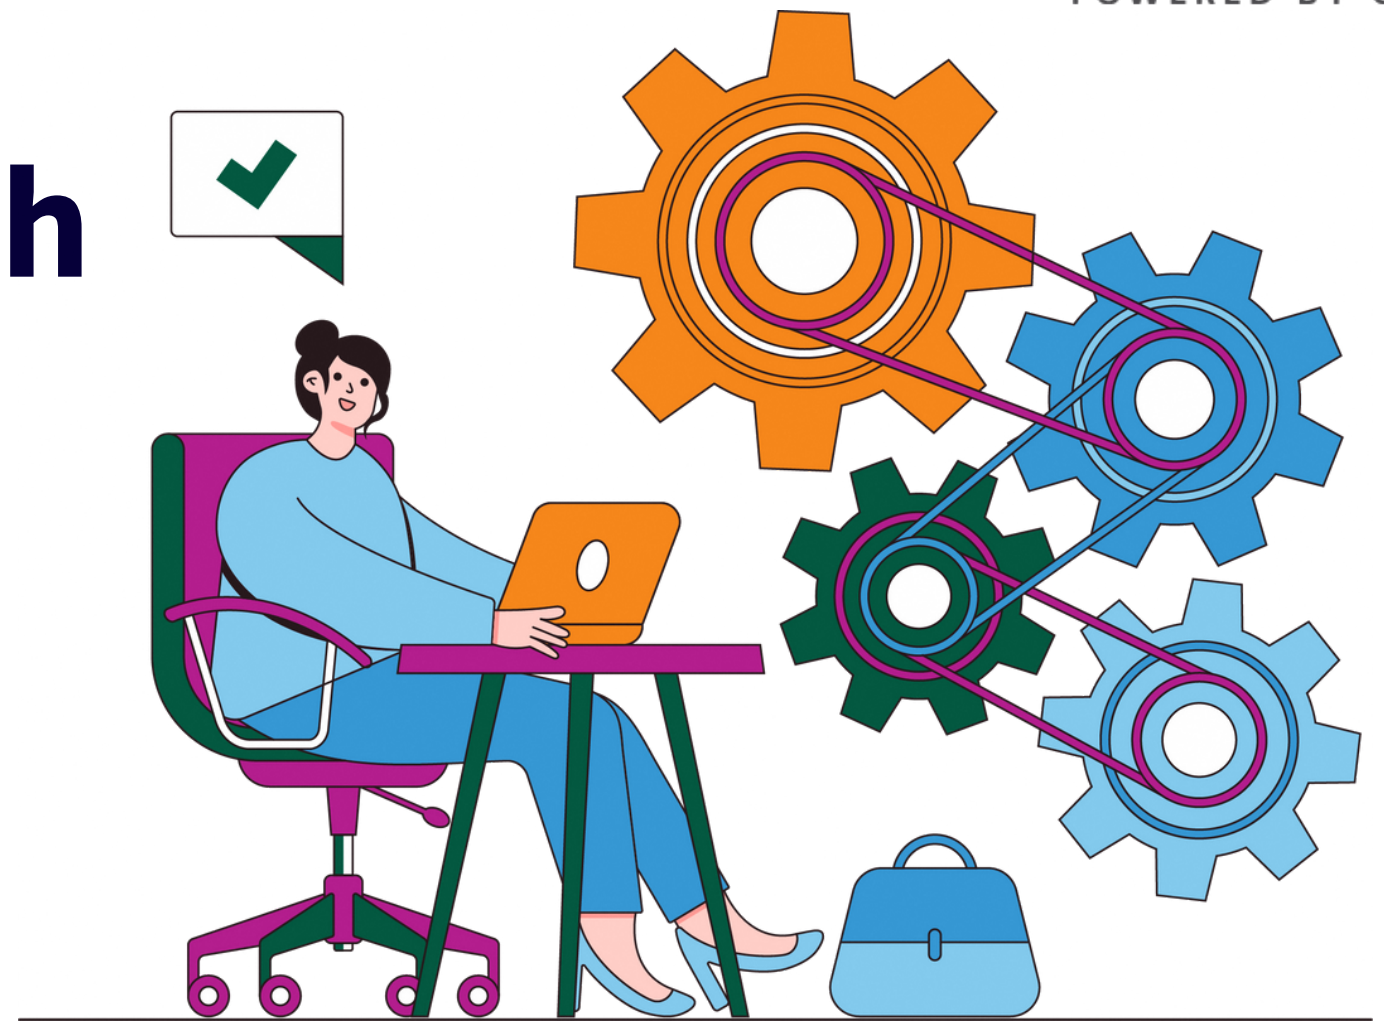

💡 What is One-Stop Payroll

One-Stop Payroll (OSP) is an integrated digital initiative that simplifies regulatory processes for **businesses/ employers**, allowing them to **seamlessly submit** their payroll and employment-related data to **multiple Government agencies directly** from their payroll software:
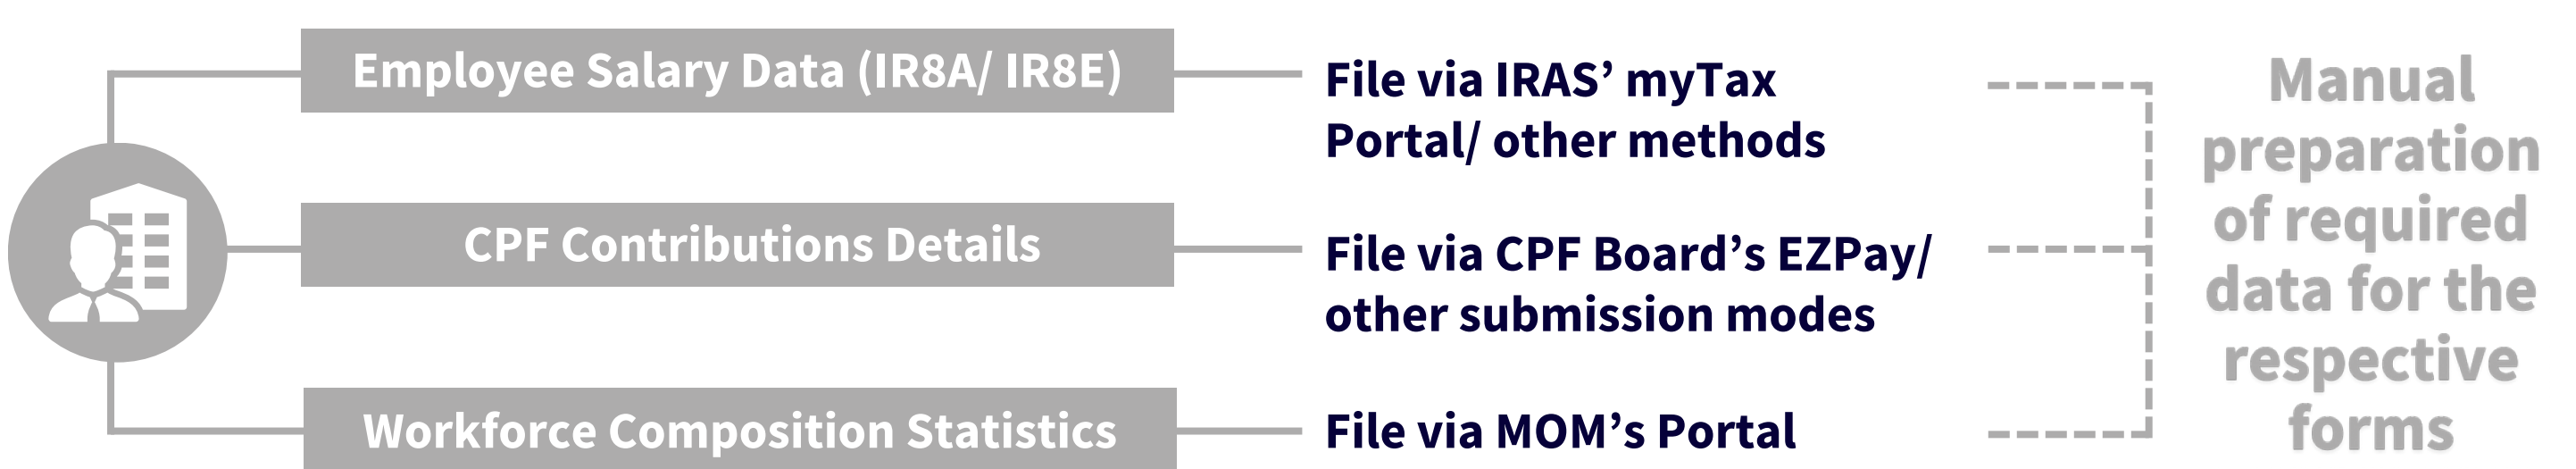

- Yearly payroll to Inland Revenue Authority of Singapore (IRAS) under Auto-Inclusion Scheme
- Monthly CPF contribution submission to CPF Board
- Completion of Occupational Employment Dataset and Labour Market Surveys by Ministry of Manpower (MOM)

⚙️ How OSP Works

Advantage of Using One-Stop Payroll

Employee Salary Data (IR8A/ IR8E)

CPF Contributions Details

Workforce Composition Statistics

API **apex** POWERED BY GOVTECH

Seamlessly submit to all 3 agencies directly from payroll software

INLAND REVENUE AUTHORITY OF SINGAPORE

MINISTRY OF MANPOWER

Traditional filing methods without One-Stop Payroll

Employee Salary Data (IR8A/ IR8E)	File via IRAS' myTax Portal/ other methods	**Manual preparation of required data for the respective forms**
CPF Contributions Details	File via CPF Board's EZPay/ other submission modes	
Workforce Composition Statistics	File via MOM's Portal	

👆 Benefits of Integrating OSP with Your Software

By becoming a One-Stop Payroll-ready vendor, you can benefit from:

✓ **Differentiating yourself as a market leader by offering comprehensive, customer-centric solution that enhances clients' regulatory compliance;**

✓ **Delivering an enhanced user experience for your clients through seamless, accurate submissions with reduced technical errors;**

✓ **Efficient resource allocation via consolidated onboarding and unified API integration across three government agencies.**
